OUR STRENGTHS

Bespoke approach to clients needs

Dynamic workforce to meet changing requirements

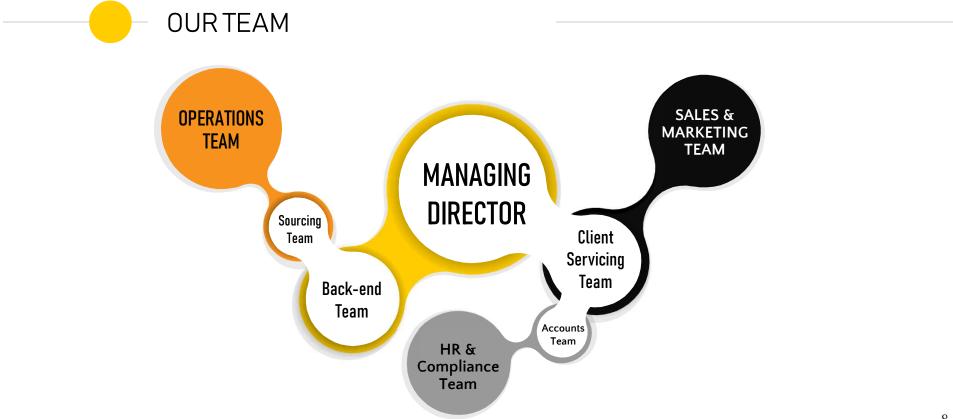

Highly driven regional & central operational teams

Full compliance with regulations

Robust systems to ensure functionality

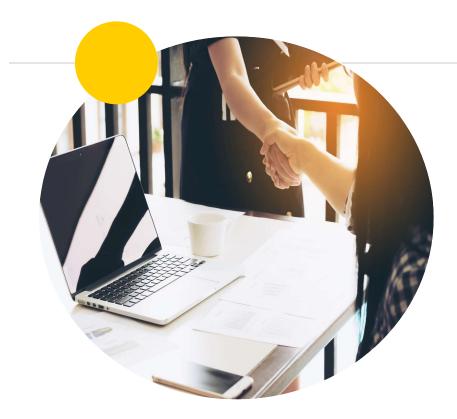

TEMPORARY STAFFING

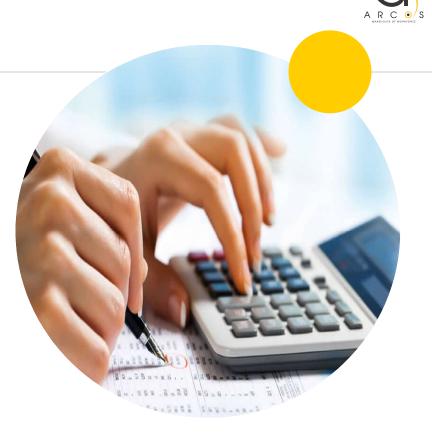

We work with our clients for hiring or identification of temporary resources with a robust process in place. We source high-quality temporary staff across various domains on a Pan-India level.

We ensure a high quality of unskilled, semi-skilled and skilled workforce by using structured on-boarding and off-boarding processes. We have a pool of over 15,000 staff to meet the dynamic and changing needs of our clients which we manage on a day-to-day basis.

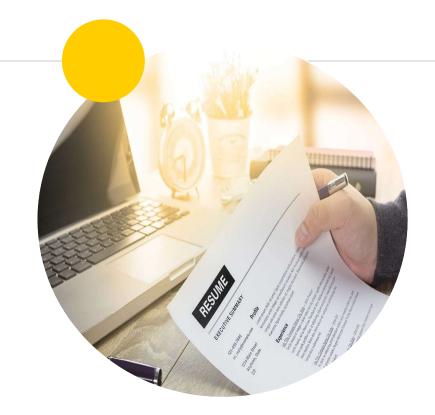

PAYROLL PROCESSING

We have a well-established payroll processing system in place that is a combination of the best software tools, expert know-how, IT infrastructure and a strong support team. We take complete responsibility for all HR administrative activities, statutory employee benefits and compliances for outsourced resources.

The operational and performance related aspects are monitored by the client and the client retains complete control of the same. We also offer our payroll processing system as a standalone feature for our clients.

RECRUITMENT SERVICES

We bring to the table an experienced team of recruitment professionals with domain specialization to cater to specific industries across India. We understand our client's talent needs and provide them with the right solution to finding key people faster, while freeing up management bandwidth to concentrate on core management activities.

Our recruitment specialists align the right person to job profiles to fill permanent recruitment needs across India, for various domains.

LAST MILE DELIVERY

We work with our clients to arrange the transportation of goods using a reliable workforce. With the growing establishments of ADC's and a foray into 3PL firms. Arcos entered the space to provide last mile delivery services across different industries.

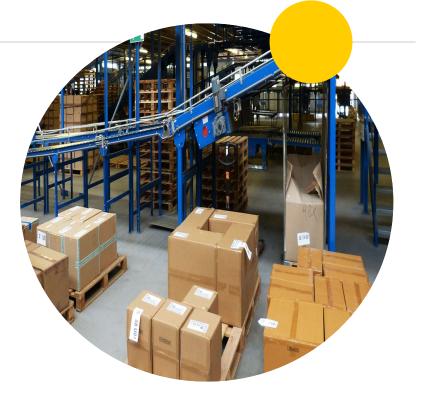

We ensure that the main objectives of last mile delivery include minimizing cost, ensuring transparency and increasing efficiency is met successfully. This being a key element of the customer experience, we pride ourselves on the recruitment of highly driven and competent staff.

LINE-HAUL SERVICES

We provide a swift movement of goods and cargo across cities. This was a natural service add-on for the clients to whom we provide manpower services. We successfully deal with the pressures and challenges of completing these deliveries with contingencies in place.

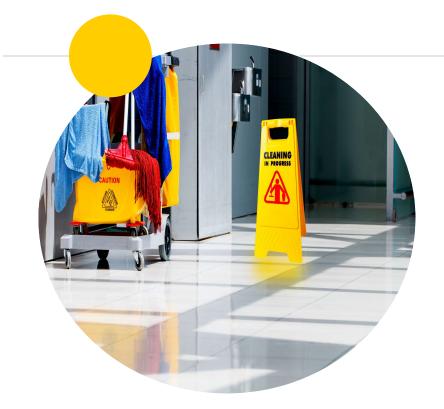

We provide this service Pan-India, with an excellent workforce and strong operational team to support this. We provide transportation of goods across different states in a safe and efficient manner.

HOUSEKEEPING SERVICES

We provide trained and hard working individuals for the upkeep of spaces. Our in-house professionals deliver top-notch services with an integrated and cost-effective solution aligned to best practices.

We ensure that your office or residential project remains dust, dirt and germ free with use of high quality cleaning materials. Our staff is given regular training on housekeeping services, operation of equipment, usage of chemicals, personal grooming, etiquette & behavior.

PANTRY & CAFETARIA SERVICES

We provide well groomed, skilled and experienced staff for serving food & beverages across pantries and cafeterias. Our staff is not only thoroughly trained for food hygiene and F&B service skills but they are also trained on behavioral skills to provide an overall quality experience.

The expertise of our certified facilities management division plays a pivotal role in the meticulous planning and delivery of such services in various places.

CATERING SERVICES

We provide food, beverages and other services for various corporate and social functions having an extensive selection to meet all requirements.

We work with our clients to choose the best options, plan and also execute this element for events or regular deliveries to offices. Our team of experts in the food industry put great thought into every detail to ensure that we not only meet your requirements, but leave your taste buds fulfilled.
